He also created a Download Mirror in which he hosts all the packs. This game is almost entirely his creation. Clayo is the F.A.Q. Overflow. He's also, how you say, a Hotwebcoddie. He has also been a Shadowcoder, Servercoder, and a rules writer. Clayo has also been known to act as a Ghostcoder and a Braincoder. He is also known for his active stream that offers mods to his viewers. Here is his profile on the AKIA. If this needs to be expanded, please let me know. In Game Description "You've been selected by the Clayo Mafia to be the next generation of sorcerers. In order to succeed in this endeavor, you must earn his respect, and prove yourself as a true member of the Clayo Mafia. A mad sorcerer needs a mad city to make him strong. It's that simple, which is why you are here. It's time to build the perfect haunted city!" - Clayo Current Mods Fire Modpack Remakes of every major modpack Rules of the Game Equipping mods Spawning mods Where the mods are located How to Unlock Unlocking the modpack Additional Instructions Code of Conduct By downloading and using these mods, you agree to the following: You must abide by the Code of Conduct Clayo Scroggin is an easy-going, chill, and laid-back guy, but he is still respectful to fellow Sorcerers. This is a very important point to the Clayo Mafia, as he is one of the most powerful Mafia bosses in the whole site. If you break his respect, you will be severely penalized. This is why you must always follow the Code of Conduct. You should also watch his stream and watch his videos on YouTube. He is usually very chill and fun to watch. Clayo Scroggin has banned over 30 different players. This includes players who broke the Code of Conduct. He has also started a Player Patrol, so if you break the Code of Conduct you may receive a ban. If you break his Code of Conduct, you will be banned, and your account will be locked. Clayo has set up the following rules to be a part of
