

Uttar Pradesh Colleges with Excellent Placements

Excellent placement colleges:

Uttar Pradesh colleges with excellent placements, boasting the highest rates of success among engineering and business institutions. With over 9,500 alumni holding positions at leading corporations, these colleges have consistently achieved impressive placement numbers throughout 2019. Despite the challenges posed by the pandemic in 2020, esteemed universities like IIMT have maintained their remarkable placement statistics. This can be attributed to strategic collaborations and partnerships with a wide range of industries, including core engineering entities, IT firms, and management recruitment agencies. These partnerships have significantly contributed to the increase in successful placements, with numerous emerging businesses expressing satisfaction with the quality of candidates sourced through IIMT's recruitment efforts.

IIMT's recruitment partners include renowned organizations such as TCS, Paytm, Wipro, Infosys, Webkul, Tommy Hilfiger, Amazon Web Services, Daffodil, and many others. While standard salary offerings typically range from 3 to 5 lakhs, the highest package recorded in 2020 reached 12 lakhs. It is likely that the pandemic has influenced the overall compensation packages provided. During the placement season amidst the COVID-19 crisis, the average remuneration package ranged from 2.40 lakhs to 3.80 lakhs, with the highest package amounting to 10 lakhs per annum. For the 2020 batch, IIMT has successfully partnered with over 1050 prominent recruiters, resulting in over 1200 placements. Additionally, with a network of more than 10,000 alumni thriving in the corporate sector both domestically and internationally, the highest salary package offered is 32.05 LPA.

Placement training:

The Training Department at IIMT's campus is committed to providing students with crucial employability skills that are in high demand by employers. By aligning industry needs with academic curricula, the department aims to boost placement rates. In an increasingly competitive job market, our objective is to empower students with the skills needed to secure desirable employment opportunities.

The Training Department at IIMT stands out for its creative training methods and strategies, as evidenced by successful placement results.

Scholarship:

IIMT, a prestigious college in ***Uttar Pradesh colleges with excellent placements***, providing both financial assistance and a boost in self-esteem for future success. Each year, IIMT grants scholarships worth over Rs. 3 crore to students who demonstrate academic excellence and excel in their chosen fields, setting it apart from other technical institutes. This scholarship opportunity attracts students from around the world, including those outside of India, who are eager to enroll in this renowned college. For parents, receiving scholarship support eases the financial worries associated with providing their children with a top-notch

education. Additionally, the IIMT scholarship serves as a motivating factor for all students, inspiring them to strive for academic excellence and work towards achieving their goals. The college's infrastructure, including seminar rooms, laboratories, libraries, accommodations, and other amenities, plays a vital role in creating an enriching academic environment.

Recognition and approvals:

All India Council for Technical Education:

The All-India Council for Technical Education, the statutory authority for planning, formulation, and maintenance of norms and standards, duly approves all the courses under the IIMT College of Engineering, IIMT College of Pharmacy, and IIMT College of Polytechnic.
