FASTENERS
"Tools and fixings – fast"

**Cut Through Walls Like
a Pro with Premium
Wall Chasers**

ToolFix Fasteners

Looking for the perfect tool to make clean, accurate cuts in walls? Toolfix offers a premium collection of [Eibenstock Wall Chasers](#), designed to simplify your construction or renovation projects. Whether you're working on electrical installations or plumbing, these machines are built to deliver results.

Why Choose Eibenstock Wall Chasers?

- Superior Performance

Eibenstock Wall Chasers feature powerful motors and advanced cutting technologies, ensuring precise results every time. Perfect for both professionals and DIY enthusiasts.

- Versatility

Choose from dry and wet cutting models like the EMF125.2 Dry Wall Chaser or the EMF150.1P Wet & Dry Wall Chaser, designed to tackle a variety of materials with ease.

- Ease of Use

Ergonomic designs and user-friendly controls allow you to work comfortably and efficiently, even for extended periods.

- **Durable Build**

Engineered for heavy-duty use, these tools can withstand the toughest environments while maintaining peak performance.

More Than Just Tools

At Toolfix, we don't just sell power tools; we provide complete solutions. From spare parts to vacuum cleaners for dust management, we've got everything to support your projects. You'll also find top-of-the-line rivets, drills, and accessories to complement your wall chaser.

Shop with Confidence

With Toolfix, you're not just buying a wall chaser; you're investing in reliability and performance. Visit our website or stop by our stores in NSW or VIC to explore the full range of Eibenstock Wall Chasers today!
