

Upcoming International Education Symposium in Chennai – July 2025

- TSA is a K–12 international school in Chennai, founded in 2000.

Established in 2000, The Schram Academy is a premier K–12 international school in Chennai, recognized as a leading CBSE and reputed Cambridge school. With campuses in Maduravoyal, Ayanambakkam, Anna Nagar, and Nolambur, the academy offers both CBSE and Cambridge curricula, emphasizing organic learning, innovation, and holistic development.

Creative learning

We teach students to unleash their creativity and explore new ideas

Ethical Foundation

We equip students with moral principles, values, and
ethical reasoning

Critical Thinking

We empower students with the skills to critically analyze, evaluate, and
synthesize information effectively

Responsible Citizenship

We educate students about their roles, rights and responsibilities

Looking for a nurturing and affordable school for your child? The Schram Academy (TSA) offers exceptional education across **Anna Nagar, Maduravoyal, Ayanambakkam, and Nolambur**. Each campus caters to early learners through to senior secondary levels with both **CBSE and Cambridge curricula**.

Whether you're searching for a **playschool, pre-primary, nursery, or kindergarten** in Anna Nagar or Nolambur, or seeking admission in **primary and secondary schools** in Maduravoyal or Ayanambakkam, TSA provides a balanced environment for academic excellence and personal growth.

We offer:

- Pre-KG, JRKG, SRKG, Grade 1 & 2 admissions across branches
- **Daycare facilities** in Anna Nagar and Nolambur
- Structured academic pathways aligned with **CBSE and Cambridge syllabus**
- Safe and inclusive campuses with modern classrooms
- Focus on holistic development through co-curricular activities

Recognized as one of the **top CBSE schools in Chennai**, TSA campuses provide world-class education with a strong foundation in both **academics and values**. Our **Maduravoyal and Ayanambakkam campuses** offer complete K–12 learning under the **CBSE curriculum**, while Ayanambakkam also includes the globally respected **Cambridge syllabus**.

From **JRKG and SRKG to Grade 12**, students benefit from personalized attention and outcome-based learning. TSA is consistently rated among the **top 10 CBSE schools in Chennai**, with low fees and high standards.

Highlights:

- Best schools in Chennai with low fee structure
- Comprehensive academic programs in all four campuses
- Seamless school admission support in Anna Nagar, Maduravoyal, Ayanambakkam, and Nolambur
- Listed among the **top educational institutions in Tamil Nadu**
- Trusted by parents looking for **international schools, affordable CBSE schools, or Cambridge curriculum options**

Making the Right Choice for Your Future at The Schram Academy Ayanambakkam

Choosing the right stream for your AS Level studies is a pivotal moment in your academic journey. Whether you're drawn to the logical world of science or the dynamic realm of commerce, your decision will significantly shape your future career path and educational prospects.

At [The Schram Academy Ayanambakkam](#), we understand the importance of this choice and are committed to guiding you through it. In this article, we provide a detailed comparison between the **Science** and **Commerce** streams offered at AS Level to help you make an informed and confident decision.

Campus Network

TSA has campuses in Chennai catering to both early years and K–12 education:

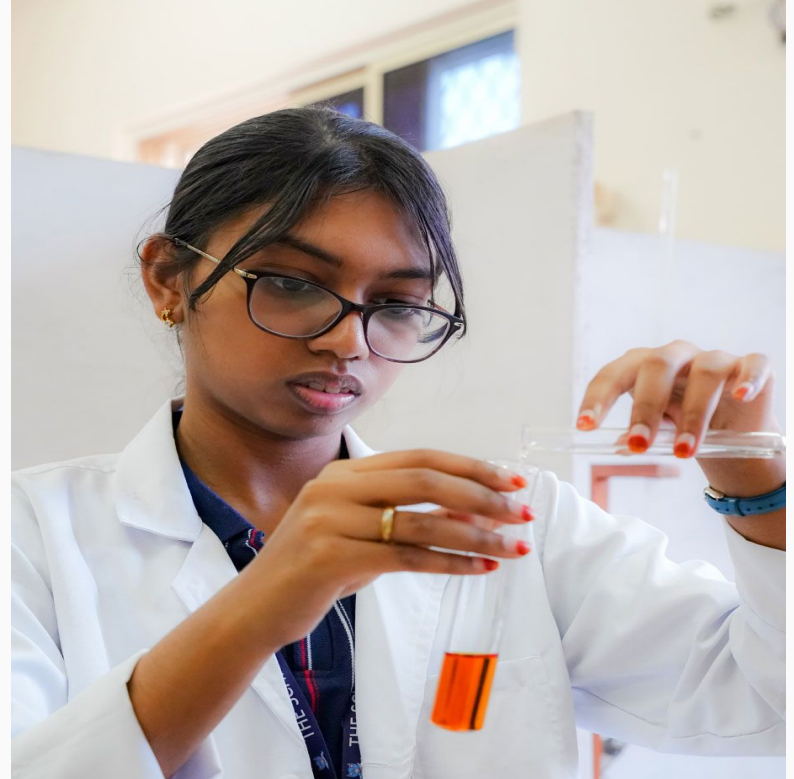

Anna Nagar – CBSE (Day-care to Grade 2)

Nolambur – CBSE (Day-care to Grade 2)

Maduravoyal – CBSE (Pre-KG to Grade XII)

Ayanambakkam (CBSE) – Pre-KG to Grade XII

Ayanambakkam (Cambridge) – PP1 to A Levels (IGCSE, AS/A)

Founder's message (Dr. Schram): Focus on holistic, inclusive education blending international standards with Indian context

Correspondent's note (Ms. Edwin): Emphasizes transformative classrooms , technology, and equity

Principal's message: Supports leadership skills, student well-being, and global exposure

Core Values & Educational Philosophy

TSA emphasizes four pillars:

Creative Learning – encouraging exploration and imagination

Ethical Foundation – nurturing moral values and decision-making

Critical Thinking – teaching analytical and evaluative skills

Responsible Citizenship – fostering active societal participation

About START

START (Schram Teachers' Academy for Research & Training) was founded in 2010 by Dr. Elizabeth Schram to empower educators through global collaboration, innovation, and professional development. It serves both micro (in-house faculty training) and macro (international best practices) goals.

Messages from Leadership

Dr. Elizabeth Schram: Emphasizes START as a global platform for educational transformation.

Dr. Peter Ignatius: Highlights START's mission to integrate global teaching practices into TSA's learning environment.

Mr. Jason Ignatius: Encourages attendees to embrace innovation and make a global impact.
