

# GREEN GLADES – PREMIER PLANTS SHOP & PLANT NURSERY IN DUBAI

## Green Glades

Located in Warsan, Dubai, Green Glades is a leading plants shop in Dubai and renowned plant nursery in Dubai, offering the best selection of indoor and outdoor greenery across the UAE.

### Extensive Plant Variety

Discover a vast assortment including fruit trees, forest and ornamental trees, indoor and tropical palms, date palms, ground covers, seasonal flowers, climbers, succulents, and tall grasses.

### Convenient One-Stop Garden Center

More than just a plant shop, Green Glades offers seamless order consolidation—single purchase orders, deliveries, contracts, and invoicing—for stress-free landscaping.

### Full Control Over Quality & Supply

With in-house nurseries and greenhouses in Dubai and Fujairah, plus propagation facilities in India, they ensure consistent supply and superior plant health.

Green Glades is your trusted partner, whether you're a homeowner or a landscape professional. By combining vast plant selections with expert guidance and logistical support, we make it effortless to transform any space into a vibrant green haven
