

Green Glades Landscaping Dubai | Expert Garden Design & Maintenance

Green Glades is a premier **landscaping company Dubai**, trusted since 1980 for transforming outdoor spaces into stunning havens. With a full in-house team of designers, architects, engineers, and horticulture specialists—and a well-stocked garden center—Green Glades delivers bespoke landscaping solutions that combine design excellence, sustainable practices, and seamless project execution.

Comprehensive End-to-End Services

From hardscaping and softscaping to irrigation, lighting, pools, and maintenance—Green Glades offers a full suite of landscaping services under one roof

Decades of Local Expertise

With over 40 years of experience in the unique Dubai climate and environment, Green Glades understands how to create beautiful, sustainable landscapes that thrive here

Experienced & Trained Professionals

The team consists of highly skilled and regularly trained professionals—designers, landscapers, engineers—committed to excellence and innovation

Well-Stocked Garden Center

Their onsite nursery provides ready access to plants, trees, pots, pebbles, accessories, and outdoor furniture—ensuring reliable supplies and competitive pricing

Green Glades stands out as a trusted **landscaping company Dubai**, offering complete solutions from design to execution and long-term maintenance. With decades of expertise, a skilled in-house team, and a strong focus on client satisfaction, the company continues to transform outdoor spaces into sustainable, elegant, and functional environments. Whether you need a villa garden makeover, a commercial landscaping project, or regular maintenance, Green Glades is the partner you can rely on for unmatched quality and professionalism.
