At Leatt MTB, we believe mountain biking isn't just about the bike. It involves safety, style and comfort too. That's why we introduce our mountain bike clothing, that is designed to handle the toughest terrains. From rocky trails to muddy descents, you can ride any trail in style and comfort.

We have different kinds of **mountain bike clothing** for you, that helps you to stand out for its innovation and durability. Our Collection includes:

- T-shirts
- Hoodies
- Long T-Shirts
- Jackets

Our MTB apparels, gives you better performance and comfort. We use moisture-wicking fabrics that helps you to stay dry during intense rides. All our mountain bike clothing are stretch fit clothes that helps you to have full range motion while riding. Our soft touch materials and sleek design clothing help you for trail-ready performance.

It is important to have perfect mountain bike clothing while riding because it helps you to:

- Match your clothing according to the terrain and the weather.
- Prioritise comfort and flexibility.
- Opt for breathable jerseys in summer.
- Layer up with waterproof jackets during the monsoon.
