

Green Glades – Premier Plant Nursery in Dubai

Green Glades is your trusted plant nursery in Dubai, offering an extensive range of high-quality plants, trees, and landscaping supplies for both residential and commercial projects.

Wide Plant Variety

As a leading plant nursery in Dubai, we stock a rich assortment—indoor/outdoor plants, flowering shrubs, tropical and native trees—to suit every garden aesthetic and environment.

Quality & Health Guaranteed

Plants at our nursery are grown under controlled conditions, with rigorous quality checks to ensure vitality, correct labelling, and suitability for Dubai's climate.

Expert Landscaping Support

Our team offers design consulting, plant selection advice, and planting best practices to help your landscaping or garden project succeed beautifully.

Convenient Services & Supply

Green Glades handles everything: one-stop purchasing, consolidated invoicing, timely delivery, and single-vendor order management, simplifying your gardening or landscape work.

Sustainability & Native Plants

We emphasize using native and adaptive species, eco-friendly growing methods, and sustainable practices to ensure long-term plant health and environmental fit.

If you are searching for a reliable plant nursery in Dubai, Green Glades delivers quality, variety, and expertise.
