Company Overview

MTL Companies is a trusted third-party logistics (3PL) leader based in Minnesota. As a full-service 3PL provider, we deliver the reliable and comprehensive warehousing, logistics and trucking solutions you need to manage your supply chain functions. We've been serving businesses of all sizes throughout the Twin Cities area for decades, so you can depend on us to deliver the personalized solutions you require.

Our Vision and Mission

Industries

Third-party logistics (3PL) providers partner with businesses from nearly every industry to optimize supply chains and logistics operations

Testimonials

At MTL Companies, we take pride in delivering exceptional service and value to our clients. Don't just take our word for it—read what our satisfied customers have to say about their experiences with us.

Our Services Nationwide

Logistics

We'll manage your shipping needs from beginning to end while leveraging a Transportation Management System (TMS).

Warehousing

Whether you need cross-docking, consolidation, fulfillment, palletizing, pick-and-pack or long- and short-term storage, we have the necessary equipment, space and staff to meet your needs.

Trucking

We offer same- or next-day local and regional cartage transport services as well as nationwide truckload and LTL, ensuring your goods arrive at their destination quickly.

Cost efficiency

Renting our storage facilities will cut warehouse ownership and maintenance costs, allowing you to direct your funds to innovation and production.

Customization:

We customize efficient supply chain solutions to meet all your needs.

Warehousing Services

1

Pick and Pack Fulfillment

If you own an e-commerce business and need pick and pack services from the warehouse where your products are stored, partnering with MTL Companies is an excellent solution.

2

Food and Beverage Storage

Maintaining the safety and quality of the food and beverages your company sells is crucial before businesses or direct customers receive their shipments.

3

Corrugated Products

Corrugated Products

Corrugated board plays a significant role in the packaging and shipping industries. When you have excess products that don't fit in your business's on-site storage, getting off-site storage can help.
