ABOUT

Dhara Sheth pursued her diploma in Fashion Design from FAD, Dubai in 2022. She Started working on creation of DHARA SHETH long before completion of her degree and launched her own brand online in the same year.

While studying at FAD her collection was showcased at Middle East Fashion Week and her showcase was also appreciated by THE NATIONAL Newspaper's Luxury Magazine in their September 2022 issue.

But the reality is her first venture into fashion started in early 2000 encouraged by her parents, immediately on completion of her Bachelor of Computer Engineering at Bharuch, Gujarat. Inspired by rich and diversified Indian heritage, she used fabrics originated from Gujarat and employed local artisans to create and market her own designs and outfits.

WILD WINGS BIRD IN THE JUNGLE SARONG

Made from soft, lightweight, and flowy 100% natural viscose crepe fabric and completed with high-end finishing, the sarong can be worn as a classic skirt wrap, transformed into a halter or strapless dress, or styled as a chic one-shoulder drape.
