Placement Tips for Lord Kuber Idol

The location of a Lord Kuber idol can influence its spiritual impact. Here are some thoughtful placement tips:

1. Place in the North or North-East

According to Vastu Shastra, the north direction (associated with Kubera) is considered most auspicious for placing the idol. This position enhances positive financial energy.

2. Keep it in a Clean, Elevated Space

Place the idol on a clean shelf or altar at a height that shows respect. Avoid placing it directly on the floor.

3. Combine with Other Deities (Optional)

Many traditions recommend placing Goddess Lakshmi (goddess of wealth) and Lord Kubera together to amplify prosperity blessings.

Financial idols are often not recommended for bedrooms. Instead, choose a prayer room or office space for the Kubera idol.
