

The background features a white space with abstract, flowing shapes in shades of orange, peach, and deep purple. These shapes are layered and overlap, creating a sense of depth. Scattered throughout are small, solid-colored circles in orange and purple. In the upper right corner, there are decorative elements including thin, curved lines and several four-pointed starburst shapes with a hatched or cross-hatched texture.

WELCOME BABY

DECORATION IN DELHI

*Making your baby's arrival
truly memorable*

Our Decorations

✨ Pastel Balloon Arch

Soft pinks, mints & whites for a dreamy welcome.

🌸 Floral & Teddy Bear Combo

Blossoms and plush toys for a cozy, warm setup.

🎨 Colorful & Playful Setup

Vibrant balloons, lights & banners full of joy!

How to Choose the Perfect Decoration

Consider your baby's gender or opt for a neutral theme. Choose colors and decor styles that complement your home or venue, and explore our range of packages to suit every budget.

Include elements like balloons, flowers, fairy lights, and personalized banners. Select a decoration service with great reviews and flexible customization options for a truly memorable setup.

Decoration Tips

Key Elements

Include beautiful balloons in soft pastels or bold colors. Add fresh flowers for a fragrant, elegant touch. String fairy lights to create a warm, magical glow. Add personalized banners with the baby's name for a special, memorable feel.

Choose Wisely

Select a welcome baby decoration service with strong customer reviews and ratings. Look for customization options to match your vision. Ask about package deals and what is included. Ensure the team is experienced with baby welcome setups in Delhi.
