We believe great results start with the right conversation. Schedule a meeting and let's talk about your goals.

Why Choose Bizfist IT Solutions for Domain & Hosting?

Bizfist IT Solutions is a leading digital marketing agency in Surrey, BC, providing high-performance domain and hosting solutions for small and mid-sized businesses.

Speed That Keeps Visitors Engaged

Nobody likes a slow website. Our SSD-powered servers make sure your site loads fast, keeping users on your page and away from competitors.

Security, You Don't Have to Worry About

From free SSL to malware protection and firewalls, we handle the tech that keeps your website and customer data safe.

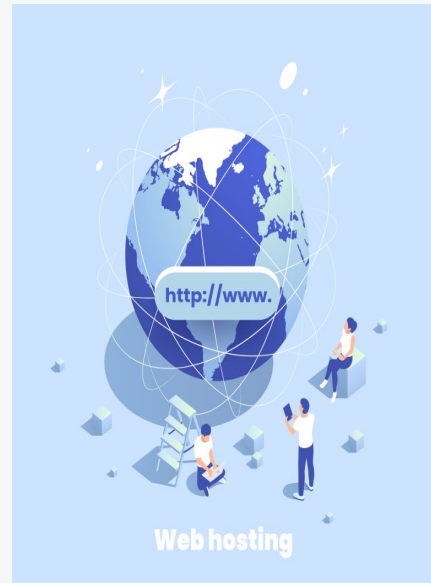

Local Support That Actually Supports

Tired of support tickets that go nowhere? Talk to real people right here in Surrey, BC. We're just a call or message away, day or night.

Fully Managed, So You Don't Lift a Finger

Forget server errors, plugin issues, or update headaches. We handle all the technicalities in the background, allowing you to concentrate on building your business.

Our Domain & Hosting Services

We specialize in website hosting services in Vancouver and Surrey, BC. It's ideal for small to medium-sized businesses that need speed, reliability, and real support.

1. Domain Registration & Renewal

Secure your brand name before someone else does. We make the process simple, fast, and affordable with auto-renewals to avoid expiry issues.

2. Shared & Dedicated Hosting

From small business websites to sites with growing traffic, we have hosting solutions that match your exact needs and budget.

3. Website Migration

Moving from another provider? We handle the entire process from backups to DNS transfer seamlessly and with zero downtime.

4. Email Hosting

Professional emails with your domain (e.g., info@yourbusiness.com) build trust with your clients. We offer secure and easy-to-use email hosting.

5. SSL Certificates & Security

Keep your website and your visitors safe with the trusted HTTPS encryption, advanced malware protection, and robust firewall security for 24/7 peace of mind.

6. Ongoing Technical Support

Whether you're launching your first site or managing growing traffic, our support team is available 24/7, just a call or click away with real people who care.
